

Goin Back

When the sons of Princeton gather any where
There's a place they think of, longing to be there.
Its the one and only University
Situatd and saturatd with New Jersey.
Goin back, goin back, goin back to Nassau Hall.
" " " " , to the best damn place of all.
" " " " , from all this earthly woe.
We'll clear the track as we go back.
Goin back to Nassau Hall.
